

200 Thinking Schools, 100 000 Smarter Kids

TSSA Events Plan 2019

If your school is keen on being a host school for one of these workshops – you would need to provide venue, light lunch, teas and coffees – then you'd get a 30% discount for all your staff attending it.

For more details regarding any of the workshops and about whole staff training in your own school, please do not hesitate to contact us on admin@thinkingschools.org.za
